The Colorado-Cherokee Trail Chapter of the Oregon-California Trails Association is pleased to have Ken Jessen, a noted Colorado historian, author and lecturer as our speaker at this event. His presentation begins with Larimer County's first road, the Overland Trail - its route and stage stations - and includes over 100 illustrations of the county's pioneer roads. Rare photographs are included that portray difficulties faced in their development.

This event is free and open to the public.
